

SUBJECT INDEX FOR NHA ARCHIVES

Category

Section

Subsection

Specialist subjects

1 Basics

1.1 A&P - basics

1.2 behavioral basics

1.3 D&C, D&P basics

1.4 M&T, R&D basics

1.5 Myth busting & information validity

1.501 myth busting

Myth busting - general

Intelligence & IQ

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

Myth busting – left & right brain

Myth busting - nutrition

Myth busting – sex & gender

1.502 truth hunting

1.6 NH & neuroscience general, basics

Subject Index for Archives

Written by NHA

Thursday, 12 January 2017 11:32 -

2 Lifestyle & Nutrition

2.1 Lifestyle general

2.2 lifestyle – behavior & habits

2.201 computers & internet

2.3 Lifestyle – environment & input

2.301 location

2.302 nurture

2.303 Pollution & toxins

Noise & EMF pollution

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

Toxic food ingredients & additives

Toxic metals

Toxic plastics

Water pollution & fluoride

2.4 Nutrition – CR, GI, Paleo

2.401 Calorie Restriction (CR)

2.402 Glycemic Index (GI)

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

2.403 paleo

2.5 Nutrition – facts about foods

2.501 individual foods

Cocoa & chocolate

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

fish

fruit

honey

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

nuts

Olive oil

2.502 spices herbs additives

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

2.503 vitamins & minerals

Omega 3, 6 & 9

Vitamin Bs

Vitamin D

zinc

2.6 Nutrition general

2.601 breastfeeding

2.602 Diets & dieting

Subject Index for Archives

Written by NHA

Thursday, 12 January 2017 11:32 -

2.603 Food chemistry & digestion

2.604 nutrution, health & cognition

Excerpts from human nutrition

Optimum nutrition bible

Understanding human nutrition

2.605 gut bacteria

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

2.606 junk food

Cereal products

Soda, coke & cola

Soy products

sugar

3 Drugs & Chemicals

3.1 Biochemistry & neurochemistry general

The chemistry of life

3.2 augmentation & exploration

3.201 nootropics

3.202 psychedelics & hallucinogens

LSD

psilocybin

Salvia divinorum

3.3 Endogenous chemicals

3.301 hormones

androgens

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

cholesterol

estrogens

insulin

3.302 Neurotransmitters

acetylcholine

BDNF

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

cortisol

dopamine

endocannabinoids

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

endorphins

GABA

glutamate

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

melatonin

norepinephrine

oxytocin

serotonin

3.303 pheromones

3.4 Natural introduced chemicals

3.401 Alcohol

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

3.402 caffeine, tea & coffee

Tea & coffee

3.403 cocaine

3.404 lithium

3.405 marijuana & cannabis

3.406 tobacco & Nicotine

3.407 medicinal herbal

3.5 Synthetic introduced chemicals

3.501 Amphetamines

3.502 anesthetics

3.503 antibiotics

3.504 Antidepressants

3.505 antipsychotics

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

3.506 botox

3.507 DMT

3.508 MDMA/ecstasy

3.509 painkillers

codeine

3.510 sleep medication

3.511 vaccination

3.6 Drugs research general

Guide to prescription medicines

MIMS

4 Research & development

4.1 A&P, networks, physical

4.101 A&P general

Axons & white matter

BBB

Human biology & neurology

Individual brain areas

Neurons glia & astrocytes

4.102 Brain mapping & connectome

Connectome mapping, contenders

Wiring & signaling

4.103 genes & DNA

DNA RNA

Genes & genetics

4.104 networks

Anatomical networks

Functional networks

4.105 Perception & Senses

aesthetics

audio-visual

balance

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

Color perception

Face recognition & face processing

hearing

Interoception ANS

Near death experiences (NDEs)

Objects, size & shape

Perception & senses general

Perceptual illusions, deja vu & OOBes

Proprioception & kineesthesia

smell

subliminals

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

taste

Timing & rhythm

touch, temperature, pain

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

vision

4.106 structure & function, neural correlates

s&f behavior

s&f belief, decisions & judgment

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

s&f consciousness & self awareness

s&f creativity & play

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

s&f emotion

s&f executive functions

s&f general

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

s&f hemispheric specialization

s&f Imagination & intuition

s&f intellect

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

s&f language, analogization metaphorization

s&f memory & learning

s&f morality & ethics

s&f personality, attitude

s&f planning, strategy, adaptation

s&f Self control

s&f senses

Synaptic self

4.2 behavioral

4.200 behavioral science general

Behavior general

Behavior & infection

Body language

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

habits

multitasking

Risk taking

4.201 tool use, dexterity

4.202 motion, navigation & spatial skills

motion

navigation

Spatial skills

4.203 sleep & dreaming

daydreaming

dreaming

Sleep & chemistry

Sleep & genes

Sleep duration

Sleep general

Sleep memory & learning

4.204 cultural skills & cooperation

Communication

cooperation

4.205 individual behaviors

Appetite & eating

crying

gossip

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

Itching & scratching

laughing

Sex & sensuality

swearing

yawning

4.206 motivation, drives, instincts

Drives, instincts

4.207 nurturing & care

4.3 Emotion, interaction, attitude

4.301 attitude

Subject Index for Archives

Written by NHA

Thursday, 12 January 2017 11:32 -

4.302 bonding

4.303 Emotion & sentiment

Amiability & friendliness

Arrogance & hubris

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

awe

Comfort, disgust, repulsion

Desire, attraction, alarm, surprise,

Doubt & certainty, confidence

Emotional intelligence excerpts

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

Gravity & levity

happiness

Love, joy, bliss

Sorrow & grief

4.304 empathy

4.305 interaction & relationships

4.4 Psychology & processing

4.400 psychology & processing general

Biopsychology 1 & 2

4.401 association & congruity

Association & archetypes

4.402 imagination

Imagination eidetics & archetypes

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

Imagination empathy & modeling

Imagination memory

Imagination perception

Imagination prediction

4.403 inner model

4.404 intuition & unconscious knowledge

4.405 language, analogy & metaphor

Metaphors we live by

Philosophy in the flesh

The uses of enchantment

4.406 Learning

Learning & memory

Learning & physiology

Natural learning

4.407 memory

Declarative memory

Eidetic memory

False memories

In search of memory

LTP & long term memory

Memory general

Memory, defragging

Procedural memory

Sensorimotor memory

Short term memory & RAM

Spatial memory

The making of memory

Working memory

4.408 modeling

4.409 prediction

4.410 synesthesia

4.411 time, sync & brainwaves

brainwaves

Circadian rhythms

sync

Time perception

4.412 embodiment & context

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

4.413 creativity & play

Music dancing art maths

4.414 growth & protection modes

4.5 Cognitive, self awareness, autonomy, attention

4.501 attention

4.502 autonomy & free will

4.503 consciousness

4.504 decisions & judgment

Feedback & assessment

4.505 intellect

Computation & calculation

Literacy, reading, writing

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

4.506 morality

4.507 placebo & belief

4.508 self awareness, personality

4.509 self esteem, confidence

4.510 self control

4.511 strategy & planning

4.512 problem solving

4.513 reflexivity

4.6 Plasticity & epigenetics

4.601 epigenetics

Epigenetics & memory

Epigenetics transcription

proteomics

resilience

Use it in the right way or lose it

4.602 plasticity

5 Resources & assessment

5.1 Hardware, tech, herbs etc

5.2 self assessment, tests & diagnostics

5.3 fiction, games, plays

STILL UNDER CONSTRUCTION

5.4 practical, Hacks & exercises, DIY

5.401 H&E

5.5 Non fiction Books & info

Star trek on the brain

TE watch

World map info

5.6 Open source, software, free courses etc

Audiostrobe flasher

6 entelechy

6.1 emergence

emergence

Figments of reality

The collapse of chaos

6.2 Evolutionary psychology, mind & brain

6.3 brain & physical development

6.301 development & genes

6.302 development brain

6.303 development wiring & signaling

6.304 development neurons

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

6.305 development senses & perception

6.4 spirituality

6.5 mind & intelligence development

6.500 intelligence development general

Magical child

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

6.501 pregnancy

6.502 development & birth

6.503 childhood

6.504 development adolescence

6.505 development maturity

6.506 longevity

6.507 development & epigenetics

6.508 development & sleep

6.509 development language & speech

6.510 development spatial abilities

6.511 development emotion empathy

6.512 development memory

6.513 development, creativity & play

6.514 development consciousness

6.515 development calculation & computation

6.6 entelechy

7 Disorders & problems

7.1 Sensory, physical, physiological

7.101 aging

7.102 brain injury & stroke

7.103 chronic fatigue syndrome

7.104 diabetes, metabolic syndrome, obesity

7.105 infection

Toxoplasma gondii

7.106 migraine

7.107 pain

7.108 parkinsons

7.109 senses & perception problems

7.110 inflammation

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

BMA family health guide

7.2 Habits & behavioral problems

7.201 abuse & wronguse

Coercion, school & work

Development & TV

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

Incongruity & counterfeit games

nonuse

7.202 addiction

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

7.203 ADHD

7.204 Aggression

7.205 eating disorders

7.206 lying & confabulation

7.207 OCD

7.208 prejudice, bias, superstition

7.209 sleep disorders

7.210 sleep deprivation

7.3 Emotional & interaction problems

7.301 bipolar affective disorder (BAD)

7.302 depression

7.303 paranoia

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

7.304 personality disorders

7.305 PTSD

7.306 SAD

7.307 sexually related

7.4 Processing & psychological problems

7.401 blindsight

7.402 dyslexia

7.403 phobias

7.404 psychopathy

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

7.405 schizophrenia

7.406 tourettes

7.407 prosopagnosia

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

7.408 amusia, tone deafness

7.409 speech disorders

7.410 delusion & hallucination

Subject Index for Archives

Written by NHA

Thursday, 12 January 2017 11:32 -

7.411 cognitive dissonance & inner voice

7.412 MPD multiple personalities

7.5 Cognitive decline or development problems

7.501 Alzheimers & dementia

7.502 Autism

ASD causative

ASD genetics & epigenetics

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

ASD indicators

ASD methods & tech, treatments

7.503 memory problems

False memories

7.504 developmental problems

7.6 Anxiety & mental health general

7.601 Anxiety

8 Methods

8.1 Physical & physiological

8.101 physical, surgery, genes, stem cells

Genetic therapy

Stem cells

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

surgery

8.102 light therapy

8.103 biofeedback & neurofeedback

8.104 hormesis

8.105 cloning

8.106 drug delivery

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

8.107 EMDR

8.2 Behavioral

8.201 therapeutic creativity

Music therapy

8.202 exercise, touch, breathing

yoga

8.203 output control

8.3 Humanistic; core counseling, input control

8.301 carl rogers, core conditions, humanistic psychology

8.302 co counseling

8.303 epigenetics & input control

IC behavior

IC for D&P

IC senses

IC surroundings

IC tech

IC things to avoid

8.304 stories & fantasy

8.305 interactional analysis

8.4 Psychological

8.401 gaming

8.402 hypnosis & suggestion

8.403 sleep & dream work

8.404 meditation & mindfulness

8.5 Cognitive & diagnostics

8.501 brain training & skills training

8.502 CBT

8.503 NLP

8.504 psychiatry

8.505 discourse analysis & talk therapy

8.6 methods general

9 Tech

9.1 mind machines

9.101 brain tuner BT7

9.102 emotiv

9.103 LENS

9.104 Proteus

9.105 Thoughtstream

9.2 for augmentation & exploration

9.201 AI

9.202 BCI & Monkey moves cursor

9.203 brain music

9.204 neurofeedbackgames

9.205 uploading

9.206 VR

9.207 lucid dream tech

9.3 for repair & prevention

9.301 brain trainers

9.302 CES & FES

9.303 implants & bionics

Auditory tech

Brain tech

Subject Index for Archives

Written by NHA
Thursday, 12 January 2017 11:32 -

DBS

Limbs, PNS & tactile tech

Visual tech

9.304 light & sound

ultrasound

9.4 for diagnostics, assessment, testing

9.401 EEG

9.402 imaging

MRI, fMRI, DTI, MEG

optogenetics

9.403 lie detection

9.404 TMS NMS & tDCS

tDCS

TMS

9.5 tech general

9.501 cryonics

Subject Index for Archives
