

Pre-Opening Notice

Écrit par NHA

Jeudi, 25 Février 2010 23:40 - Mis à jour Samedi, 04 Septembre 2010 01:07

There are no translations available.

Well, just in case you would stumble on this page in these early days, know that we're in the final preparation phase before official opening. You're welcome to wander about, but features aren't fully activated right now.

So if you cannot find any registration page, that's normal and you should come back later for that.

We're almost done, dudes, we're almost done...
